

Framing Foreman – Embrun

We are seeking an experienced Framing Foreman for our newest community – Embrun Central - who will ensure that all interior and exterior elements of the home from excavation to drywall are constructed as per Ontario Building Code and eQ's plans, specifications and scope of work.

About the role

The Framing Foreman is responsible for:

- supervising framing activities using lean construction methods.
- maintaining and communicating up-to-date daily production schedules.
- carrying out quality control checklists and signing off deficiencies.
- managing materials on-site.
- coordinating city inspector and consultants to receive proper sign-off on documentation at each stage of construction.

About You

You:

- possess a pleasant disposition and are self-motivated, goal driven and tenacious.
- are capable of maintaining your composure and focus under tight deadlines.
- are comfortable working with scheduling software.
- are good at coaching and leading by example.
- have 5 years of relevant framing experience and 2 years in a supervisory role.
- have a solid understanding of Tarion performance guidelines and a working knowledge of the Ontario Building Code.

About us:

We:

- empower our people to strive for creativity, uniqueness, and distinction.
- are driven by the values of doing the right thing, building well for lasting value, creativity, fun and respect.
- are the Builder of Choice in the National Capital Region.
- build lifestyle communities throughout Ottawa.
- are committed to the best customer experience in Canada!

We offer a dynamic opportunity!! Should eQ Homes and this position be a good match for you, please email your cover letter and resume to: jointheteam@eqhomes.ca

If you are an applicant with disabilities and require accommodations, please let us know in advance so that we may arrange for their provision.
