

Carpenters

Orleans, Findlay Creek, Stittsville

We are seeking experienced Carpenters to provide general handyman work in homes under construction with attention to detail and great workmanship always being maintained.

About the role:

The Carpenter will be responsible for:

- conducting repairs on finished surfaces included but not limited to drywall, paint, trims, floors.
- completing minor framing and carpentry work such as building temporary stairs, sawhorses and lumber racks, bracing foundation walls.
- maintaining maintenance logs as required for site vehicle and other equipment.
- ensure all eQ staff and Trade Partners abide by the Ministry of Labour regulations and EQ Health and Safety Policy.
- handling gas/propane temp heaters on-site.

About You

You have:

- five years of working in construction with relevant job experience.
- the ability to maintain to do lists and stay focused on the task at hand.
- the ability to work hard while maintaining attention to detail at all times.
- an understanding of the MOL requirements and the importance of reporting structure as it relates to Health and Safety.
- a willingness and ability to perform daily physical labour.
- a clean driver's record (driver's abstract will be required).

About us:

We:

- empower our people to strive for creativity, uniqueness and distinction.
- are driven by the values of doing the right thing; building well for lasting value, creativity, fun and respect.
- are the Builder of Choice in the National Capital Region.
- build lifestyle communities throughout Ottawa.
- are committed to the best customer experience in Canada!

We offer a dynamic opportunity!! Should eQ Homes and this position be a good match for you, please email your cover letter and resume to: jointheteam@eqhomes.ca

If you are an applicant with disabilities and require accommodations, please let us know in advance so that we may arrange for their provision.
